**Subject:** Re: Follow up to recent Council Meetings

Thanks again for your email Angela and for bringing a couple of things to our attention. You are correct in that the October minutes, unfortunately did not get posted. The November minutes will get posted after they are approved at our December 4th meeting ,s., Steps are being taken to post the October munutes. Unfortunately, we are down one staff member and hope to fill this vacancy as soon as we can.

We are also transitioning to a new software system, which includes accounting 311, permits etc., plus other components which have been priority and has taken a fair bit of staff time.

This is all in addition to the everyday tasks that can also take a quite a bit of time.

We appreciate you identifying that there are some broken links and would ask, if you could identify them, as that would greatly help us to correct them without having to source them first.

I hope that helps answer some of your concerns and thank you for bringing these matters to our attention.
